**Response to: Procurement of 120mm Mortar Ammunition**

Dear Sir,

The recent request for offer (received 23 September 2018), submitted to Hirtenberger Defence International Ltd by Battle Born Munition Inc (BBM) and in reply to the NSPA request for proposal for a mixture of 120mm Mortar Ammunition rounds, refers.

Hirtenberger Defence International Ltd is not participating directly to the mentioned requirement. Our offer is submitted through Battle Born Munitions Inc. and their US Department of State DDTC License Number BA-L141-18, due to their good standing as supported by the US Department of State registration number K-5167 and NSPA registration number 4000067852.

The requested ammunition is manufactured by Hirtenberger Defence International (HDI) in Middle Wallop, United Kingdom and is subject to Her Majesty's Export Regulations.

Should you require any further clarification regarding this authorization please contact me directly at telephone +44 7548 230 855 (Mobile) or +44 1264 315 591 (Office), or by email at [johan.laubscher@hirtenberger.com](mailto:johan.laubscher@hirtenberger.com).
